

## **THE LATEST**

Brother Knights,

I hope this newsletter finds everyone doing well amidst the wildly variable weather and rampant colds, flus, and other bugs.

First, the Council planning meeting from January has been rescheduled for 27 February at 6:00 pm in the Spirit Center. Join us for some pizza and planning for the next year.

The KofC's youth protection program, ARMATUS, can be found online at [www.kofc.org/safe](http://www.kofc.org/safe). Looking at the calendar, we have a good deal of parish involvement coming up, especially the Easter Egg Hunt, so please consider completing this training.

Habemus decision! In an amazing show of fraternity at the last meeting, an idea emerged, was discussed, and agreed upon. We are beginning coordination for what we hope will become a new fundraising tradition for the Council. In conjunction with the Stations of the Cross, we are proposing a soup dinner open for the parish. More details to follow, but bring your soup ideas for dinner at the March 7th meeting.

Vivat Jesus!

Jason Cezeaux

Grand Knight

Council Chambers:  
looking good!*

## **Super Cash Bonanza**

The State's annual fundraiser in support of Ohio charities is in full swing! Prizes include over \$108,000 in cash prizes.

Our council receives \$2.40 for every ticket sold. You should have received tickets this last week. Contact myself or Forst for more tickets if you need them.

Bring your sold tickets and money to the Council meetings for turn in. The first turn in is by 15 April, and the second is by 10 May.

## **An Invitation**

This newsletter is a tool to increase our sense of Brotherhood via a shared picture of what's going on in the Council.

Everyone is free to contribute - just send content by the weekend prior to the Council meetings and I'll try to get everything in.

Future content may include:

Field Agent's Report

Know that Knight

Brotherhood gathering details

Chancellor's Corner
