### Grand Knight's Report

Here's wishing you and your families a most happy and prosperous New Year!

The Christmas Party we sponsored on 18 Dec was, without a doubt, the most successful event we have held in many years. I received many messages of thanks and a lot of positive feedback from the estimated 400 family members who attended.

Through our efforts and the generosity of the parishioners of St. Albert the Great, we were able to present the Elizabeth's New Life Center with a literal van full of diapers, wipes, baby clothes and other items. In addition to these gifts, we were also able to present them a check in the amount of \$345.00 from the contribution boxes.

Thanks to all the Brother Knights who worked so tirelessly on this event and made it such a huge success. I would like to especially thank Jared Wagner for his efforts in organizing and heading up this event. As a result of our efforts, we have made a very good impression on our fellow parishioners.

During the party we made personal contact with many men of the parish in an attempt to recruit them as new members. Unfortunately, we received no completed Form 100s at this time. While we did not receive an immediate response, now is the time to follow up with these men and again urge them to join the Knights of Columbus.

## Grand Knight's Report

continued from page 1

Speaking of Form 100s, we have been informed that Form 100s with a date in the upper left corner of 7/08 or prior are no longer valid and will not be accepted by Supreme. The new forms are available at the Council. Pick up some the next time you come by the Council. Form 100s should go where you go, in your pocket, in your briefcase, in your glove compartment, etc. Then, and only then, can you be ready to ask a man to join the Knights of Columbus.

Our next major event will be our annual Fish Fry on 4 Feb. This year we will be doing something a little different. In addition to our usual fish dinners and games of chance we will be holding a reverse raffle. This is our one large money making event of the year and lots of volunteers will be needed.

Vivat Jesus!

#### CIVILITY

"Pursue peace with all people, and holiness, without which no one will see the Lord. . .  
– Hebrews 12:14

Last week, I parked my car in the lot behind my bank, and walked up the sidewalk to its back door. There are a couple of doors that I pass through to get to the bank lobby. It just so happened, that during this particular visit, when I arrived at each of the two doors (10 to 20 feet apart), there was a different woman at each door either entering or exiting herself...who actually held the door for me – two times!

Of course, I said "thank you" each time...but, I couldn't help but think back on the way I had been raised and how things had certainly changed since those childhood days. My parents taught me very clearly to "always hold (or open) a door for lady" ALWAYS. And I have... always.

But now, ladies are holding doors for me! Maybe I look "old" to them (I am now 71). Maybe I appear weak and frail? I don't know. But, the older I get, the more I sense constant change around me. It used to be that a woman would enter or exit a building letting the door close. Now they look around more to see if someone, anyone else is in the vicinity.

"Pursue peace with all people" the Bible tells us. I agree. It doesn't really matter who is being civil to whom, it really shouldn't matter that a woman might hold a door for an older man, if fact, it's great to model these civil courtesies to our children someone else's children, or even other adults.

Simple civil courtesies provide each of us key opportunities to express Christ's love outside usual close circle of friends or family relationships. I'm always kind and loving to those I love – those closest to me – and I know these persons also embrace my faith. But, then we're out in the community, only touching on the fringes of relationships with others, then our willingness to open or hold a door for someone, or stop to pick up someone's dropped car keys or pocket change, or sharing a spoken "please" or "thank you" allows people to catch a glimpse of Christ in you and me.
