GRAND KNIGHT'S REPORT

July started off with a bang. yep, it was the 4th of July and hope everyone had a great three-day holiday. Thanks to all the volunteers who gave their time and labors to make the Server - Choir picnic another great success. Monday, July 6th was a busy day for some of our brothers as several attended Phil Ulrich's funeral. Frank Staley celebrated his 85th birthday, as did Jeff Bowling his 41st

This month we have volunteers calling all members to collect information needed to plan and implement all programs for the 2009-2010 fraternal year. As always, we would like to see you at the monthly meetings and at the yearly events. **We are in need of an editor for the Spirit and need someone to step up to the plate.** Enjoy the rest of the summer.

Vivat Jesus, Grand Knight Dave Cook

CHAPLAIN'S REPORT

“The night is nearly over; the day is almost here.” Romans 13:12
In the depth of darkness, everything feels more overwhelming. It is during these times, when it is difficult to look to the future with any semblance of hope that you need to remember that the night is always temporary. The night will not last. It always comes to an end.

“SPIRIT’ EDITOR NEEDED

The council needs a Content Editor for The Spirit of 4022. We have a circulation editor who takes care of getting the newsletter published and mailed. We need someone to put it together and get it to the printer (via email) each month. This is an important job since the Spirit is the only link for many of our members to the council. Please contact the Grand Knight via email sirknightdavid@sbcglobal.net Or by phone 937-293-7469

CHAPLAIN'S CORNER

Cont. pg 1
If you hang in there you will live to see the sunrise and with it, hope is reborn.
God is powerful.
God who dispels gloom, breaks through depression, and energizes your life with the assurance that a new day is about to break on the horizon. Proclaim that hope. Cling to the promise that the night is over. The new day is born. Hope is alive – empowered by God – who sends the rays of his Son into the dark corners of your life, shattering the night with his light!

IN MEMORY OF PHIL ULRICH

Phil passed away recently and it seems only right to point out his service to THE COUNCIL.

In 1983, Phil and his brother were in the construction business and accepted a contract to make some additions to and upgrade The Christopher Club. They changed The Christopher Club from a box with a mansard roof to an attractive building with a truss roof extending the building twenty feet. On the west of the building a vestibule at the entrance with front storage was added. The north end addition included a new and enlarged kitchen with a new walk-in cooler, a club office plus a pool concession stand area. The complete outside walls of the club were coated with a stucco surface. It was a large project and handled very well. Thanks to Phil!

MARIA JOSEPH HOME CORPORATION

The Maria Joseph Home Corporation will have a short business meeting and elect a Knight to serve on the board on Thursday, September 3, 2009. Don Homan and Brian Gilles three year terms are complete and will need to be filled. All nominations will be made from the floor during the meeting.

The board is comprised of nine members elected for three year terms. Steve Timmer, Ed Wood and Barry Galen have one year to serve while Bill Gregor, Tim Horning, and Will McClusky have two years. The three trustees and the financial secretary serve on the board by virtue of their office. The Grand Knight is a non-voting member of the board.

The council formed The Maria Joseph Home Corporation in 1960 as a not-for-profit corporation with the sole purpose of providing a meeting place for the Council. All council members in good standing are owners of the corporation.

INSURANCE
Making a difference for life.

DIE TO WIN

BY THOMAS P. SMITH JR. EXECUTIVE VICE PRESIDENT (AGENCIES AND MARKETING)

Someone recently said to me, "Why should I buy life insurance? It only has value if I'm dead." I thought I would use my column this month to share my answer to him with you: "Hold on a minute, big fella," I said. "Did you just say that it only has value if you die? I know we are both in a hurry, but take just a moment to listen to me.

"First of all, that's simply not true. You see, we suggest that every member of the Knights of Columbus own permanent, cash value life insurance. Unlike term insurance, which carries an expiration date and is meant to cover a temporary need, permanent insurance lasts a lifetime. I can see in your eyes that you're thinking that somewhere, somebody told you something bad about permanent insurance. Look at me. I wouldn't lie to you.

"There is nothing bad about permanent insurance. There is nothing bad about it being there and having value when you die. To be brutally honest, that's the whole point. I enter into the sale of life insurance based on an assumption that the person I am dealing with loves his family. That assumption leads me to the conclusion that you don't want your final act on earth to be leaving them in a difficult financial position. I hope I'm right about that.

"But to your point: Permanent life insurance, in addition to providing a death benefit, builds value. In your case — as a 45-year-old man in excellent health — you could buy a \$100,000 whole life policy with a disability waiver rider. When you are 70, for example, this policy, as illustrated today, including non-guaranteed dividends, would have a cash value of nearly \$76,000. You would have paid in premium a total of \$43,486...and we would have available to you nearly \$76,000. Nice, huh? And you're alive!

"So, you decide to take these values and provide yourself with a retirement income. The policy will pay you, guaranteed every month, \$542. While you're alive. And this is what we would call a 'ten year certain,' meaning that if you do die, we'll continue to pay your beneficiary that amount until 10 years has passed." v
